# 6th Asian Conference on Pattern Recognition (ACPR 2021)

9~12 November 2021, ICC Jeju, South Korea

[www.acpr2021.org](http://www.acpr2021.org)

We are pleased to host the 6th Asian Conference on Pattern Recognition (ACPR2021) taking place in Jeju Island, South Korea from November 9th to November 12th, 2021. The conference will be held in a hybrid format allowing for both on-site or virtual participation (pending the COVID19 travel situation, it may switch to a virtual-only format).

ACPR 2021 solicits high-quality original research for publication in its main conference and co-located workshops. All accepted papers will be published in Springer's Lecture Notes in Computer Science (LNCS) and indexed by ISI, Scopus, EI, Google Scholar, DBLP, etc. Topics of interest include all aspects of pattern recognition:

### Pattern Recognition and Machine Learning

- ♦ Artificial neural networks
- ♦ Dimensionality reduction
